Syncbnb

Channel Managers

Hotels	VR Managers	VR owners
Expensive (100€+ per month)	Expensive (70€/month + setup fee)	Limited options
Limited VR channels	Not 2-way with all channels	Unreliable
Difficult to setup	Difficult to setup	Difficult to setup

Problem:

I could not find a service that could
synchronize all my channels,
2-way, and real-time.

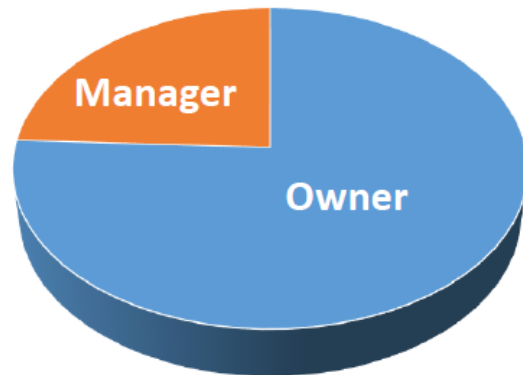

Whatever came close was too expensive.

Am I the only one?

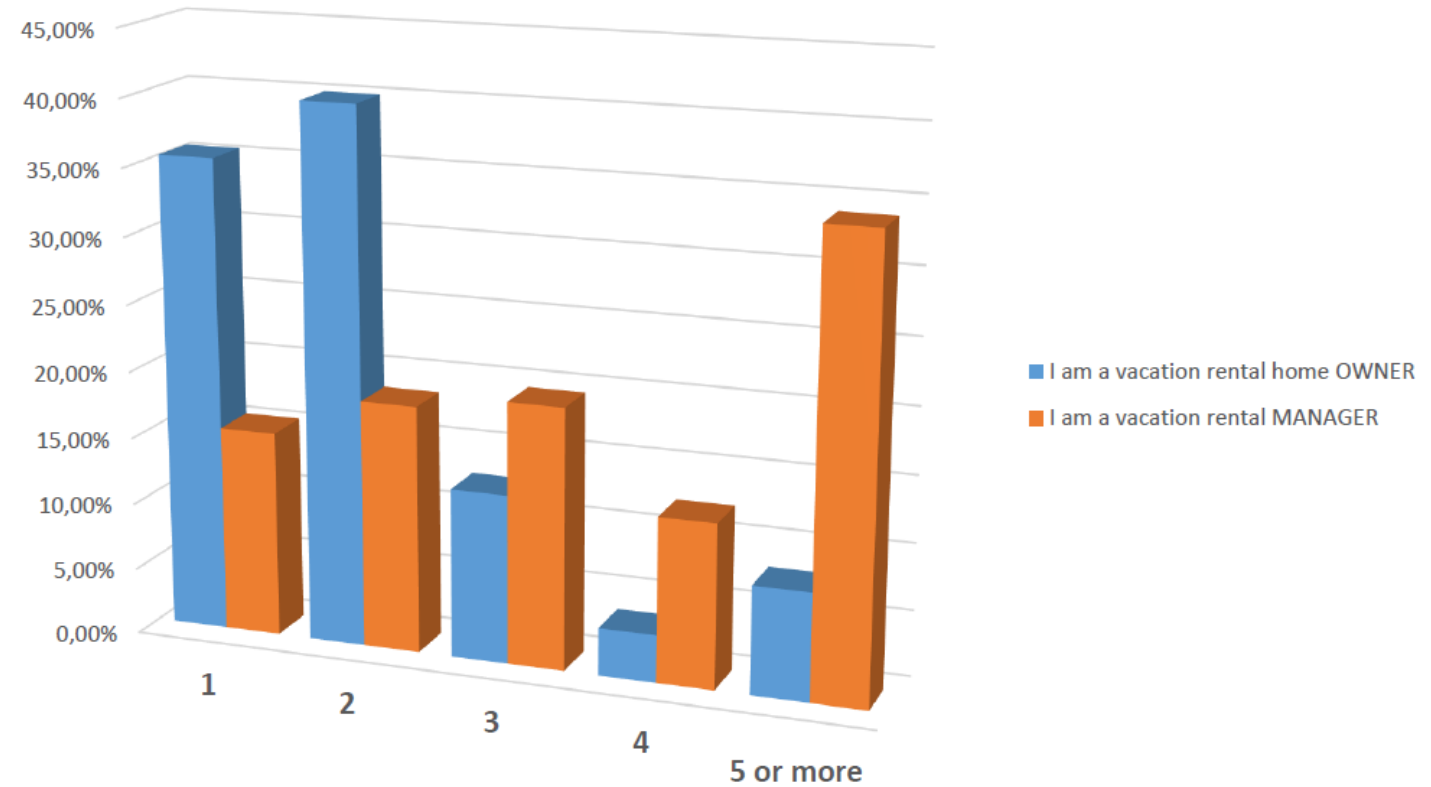

Time for some research.
