

hello

I'm **Magy Kontou**

Co-founder & Head of Operations

at Simple**Apps**.gr

tourismart

an all-in-one mobile and IoT

solution for hotels

in 2017 revenues for in-stay services **>150€ billion**

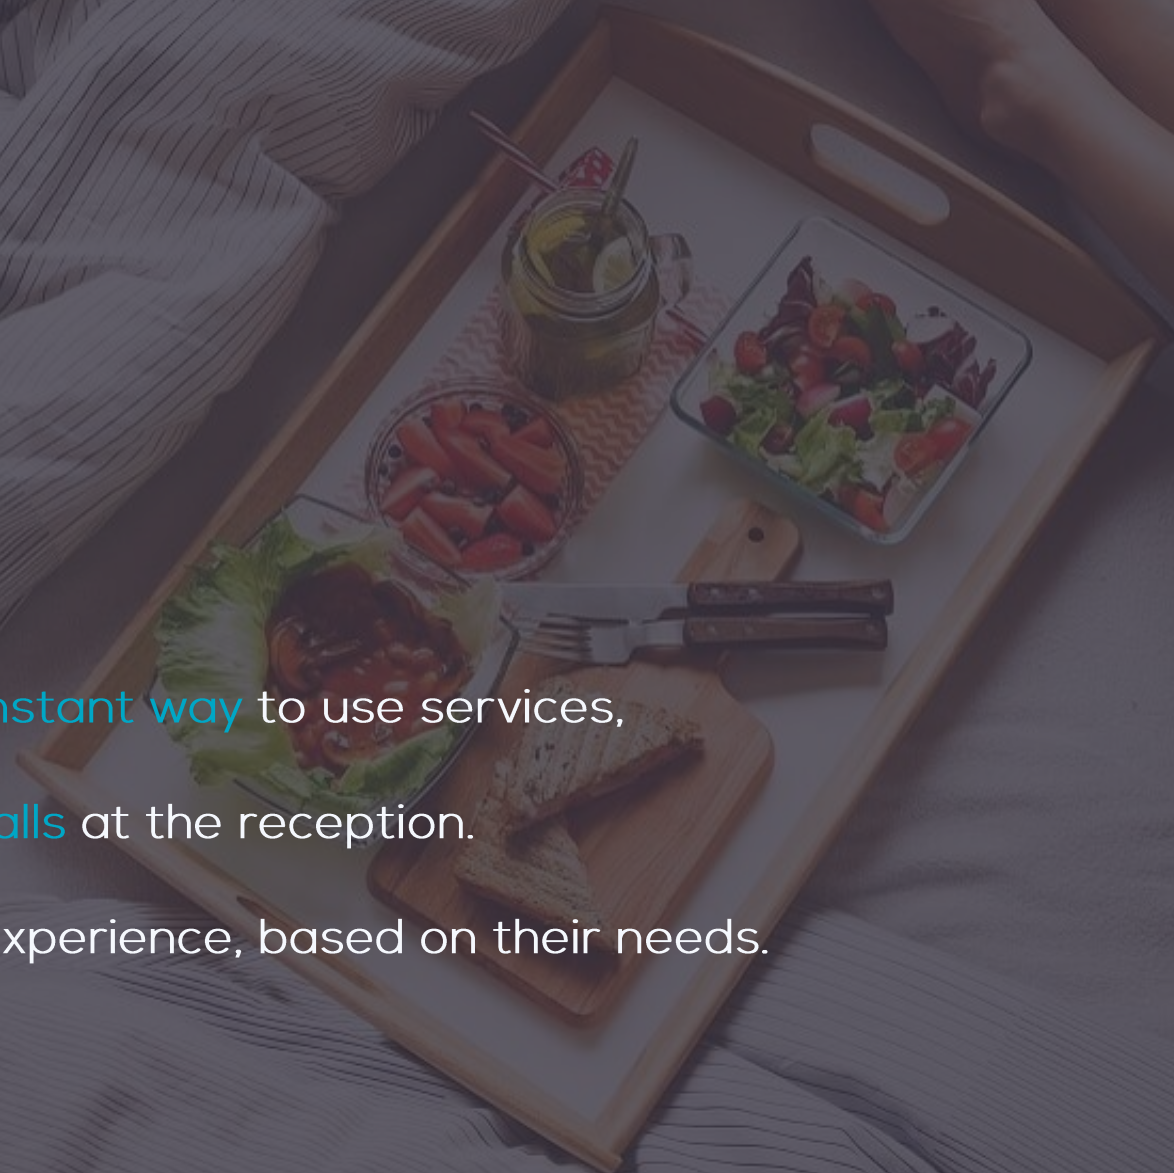

>43% of hotel guests travel with >3 mobile devices

90% wants to spend more in services, if it's easy to access

LET'S WELCOME TOURISMART.

Guests need an [interactive](#) and [instant way](#) to use services,
no more [brochures](#) and [missed calls](#) at the reception.

Millennials, a more [personalized](#) experience, based on their needs.

Guests

arrive at hotel, download app on smartphone

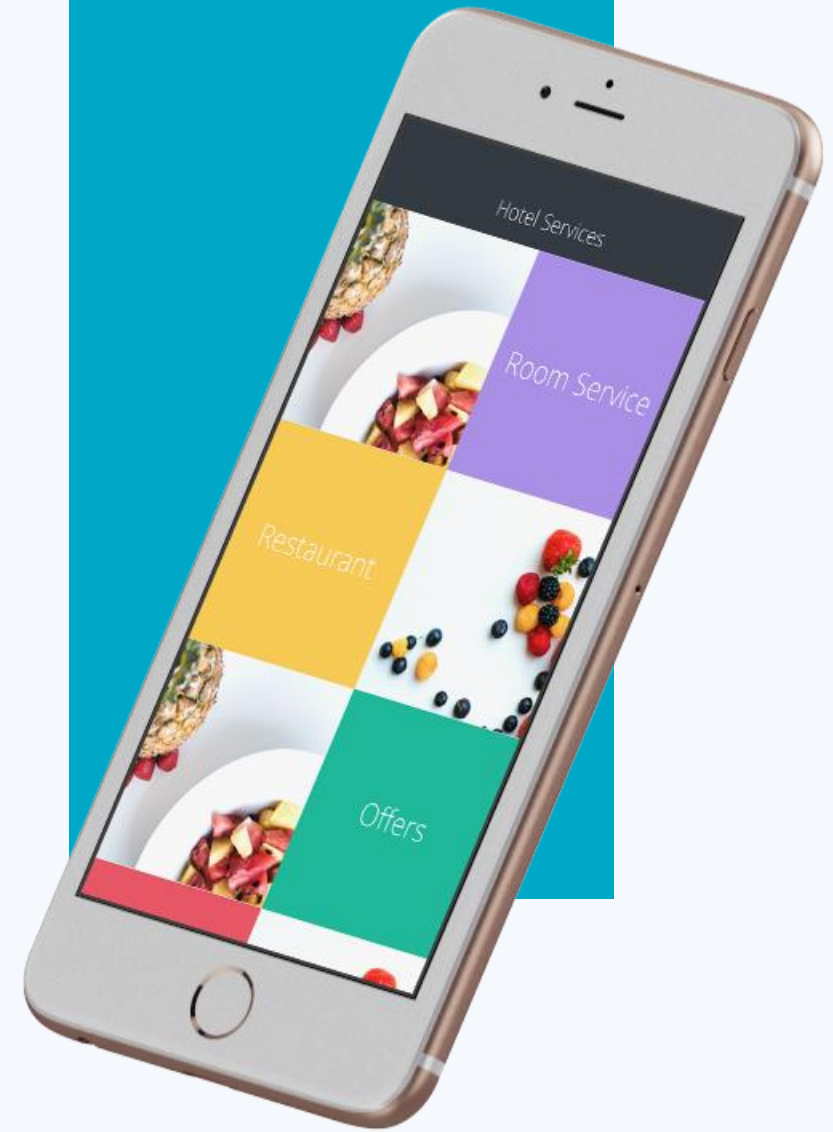

access all available services, room service
